## S450 Overview

- The 49-hp Bobcat® S450 skid-steer loader is a radius-lift-path machine with a compact frame, ideal for working in confined spaces.
- Count on easy starts, smoother operation and less noise thanks to the 2.4L Tier 4 diesel engine and ultra-efficient fuel system.
- The optional ROPS/FOPS Level II certified cab is engineered for all-day operation with low noise levels, easy-to-reach, intuitive controls and a comfortable seat.
- The tall, wide windows provide an optimal glass-surface area for high visibility to the jobsite.
- The S450's narrow turning radius delivers unmatched maneuverability.

\*The prices advertised are suggested resale prices that Bobcat recommends to dealers for purposes of trying to ensure that Bobcat's products are price-competitive and that dealers have the proper incentives to market and service the products in accordance with Bobcat's brand standards. Bobcat reserves the right to change suggested resale prices, product specifications, and options at any time. The final sales price is determined independently by the selling dealer in its sole discretion. Pricing is country specific. Bobcat's suggested list prices are for products sold in the US only. Product configuration may differ from image(s) provided. See dealer for full product details.

\*Offer ends 8/31/2023. Available at participating and eligible dealers only. Offer may vary by product type, series, model and select units in dealer's current inventory. Must take delivery from dealer stock by 8/31/2023. Offers available on new equipment in US and Canada only. Some restrictions apply. Length of contract and rate may vary. Monthly payment subject to change. Prior purchases not eligible. See dealer for details. Financing provided on approval of credit by authorized Bobcat finance providers to well-qualified buyers. All finance programs and rates are subject to final approval by the applicable Bobcat finance provider and are subject to change at any time without notice. Administrative fees may apply. Offer not available to government accounts, national accounts and municipal/utility bid customers. Bobcat Company reserves the right to extend or discontinue any of these programs at any time without prior notice.

**WARNING:** This product can expose you to chemicals including engine exhaust (including diesel engine exhaust when equipped), lead and lead compounds, mineral oils, soots, phthalates, and carbon monoxide which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

Certain specification(s) are based on engineering calculations and are not actual measurements. Specification(s) are provided for comparison purposes only and are subject to change without notice. Specification(s) for your individual equipment will vary based on normal variations in design, manufacturing, operating conditions, and other factors.
